

LFCS RE-ENROLLMENT PACKET

2026-2027 SCHOOL YEAR

2 Years to 2nd Grade

We want to take the opportunity to thank you for entrusting your child to us during this school year. We have been blessed to witness your students' spiritual growth and academic progress. We are thankful for your continued support, prayers, and active participation in school events, fundraisers, and spirit nights. We truly value the partnership we have with our families.

From now until January 21, 2026, we offer priority re-enrollment to our current families as you prayerfully consider re-enrolling your children and/or enrolling a sibling for the 2026-2027 school year. If you have any questions about the upcoming year or would like to set up an appointment to meet with administrators, please contact the school office.

For your assistance in the re-enrollment process, we have created this informational packet. Enclosed in your packet are the following:

- Re-Enrollment Procedures
- Enrollment Intent Form - **All currently enrolled families complete and return this form (even if you are not returning).**
- Tuition & Fee Schedule for 2026-27

Please keep in mind that our open enrollment will begin on January 21, 2026, where we will open up enrollment to outside families.

A quality early educational experience is an investment into our most important possessions - our children. LFCS offers a positive Christian environment and training designed to support students spiritually, academically, and personally. We would also ask that you share your excitement about LFCS with your friends and neighbors. Word of mouth is our most effective method of advertisement. Any family who refers a new student for our program will receive a **\$200 tuition credit** when the referred student is enrolled during the 2026-2027 school year.

Thank you for your continued support!

LFCS Administrative Staff

ASSESSMENT

All students wishing to enroll in our K2, K3, K4, Kindergarten, 1st Grade or 2nd Grade programs must be assessed to determine if he/she will be accepted into our program. Returning students will be assessed at the end of the current school year. For K2 students, the assessment is a simple face-to-face meeting with a K2 teacher and a member of our Administrative Staff. LFCS is an academically focused program and K2 students are required to meet the necessary developmental milestones by the start of the school year to ensure they are prepared for the learning environment. Once a student is accepted, an official letter of acceptance will be sent.
